Dr. J. Michael Dennis

Music Ministry

“When I was growing up, I thought the greatest Christian must be the person who walks around with shoulders thrown back because of tremendous inner strength and power, quoting scripture, and letting everyone know he has arrived. I have since learned that the most mature believer is the one who is bent over, leaning most heavily on the Lord, and admitting his total inability to do anything without Christ. The greatest Christian is not the one who has *achieved* the most, but rather the one who has *received* the most. God’s grace, love, and mercy flow through him abundantly because he walks in total dependence.”

From the book, Fresh Faith, by Jim Cymbala.
